

You can use this application to open doors, control your devices or make reservations (laundry or other rooms).

### Instructions:

1. Download the application **"QT Kund"** from Google Play or Apple App Store.
2. Start the application on your mobile or go to our website → <https://xxxx.qtkund.se/> (change xxxx to the ID for your facility)
3. Enter the ID for the facility (4 digits). (Ask the owner of the facility).
4. Enter the username and password. (Ask the owner of the facility).

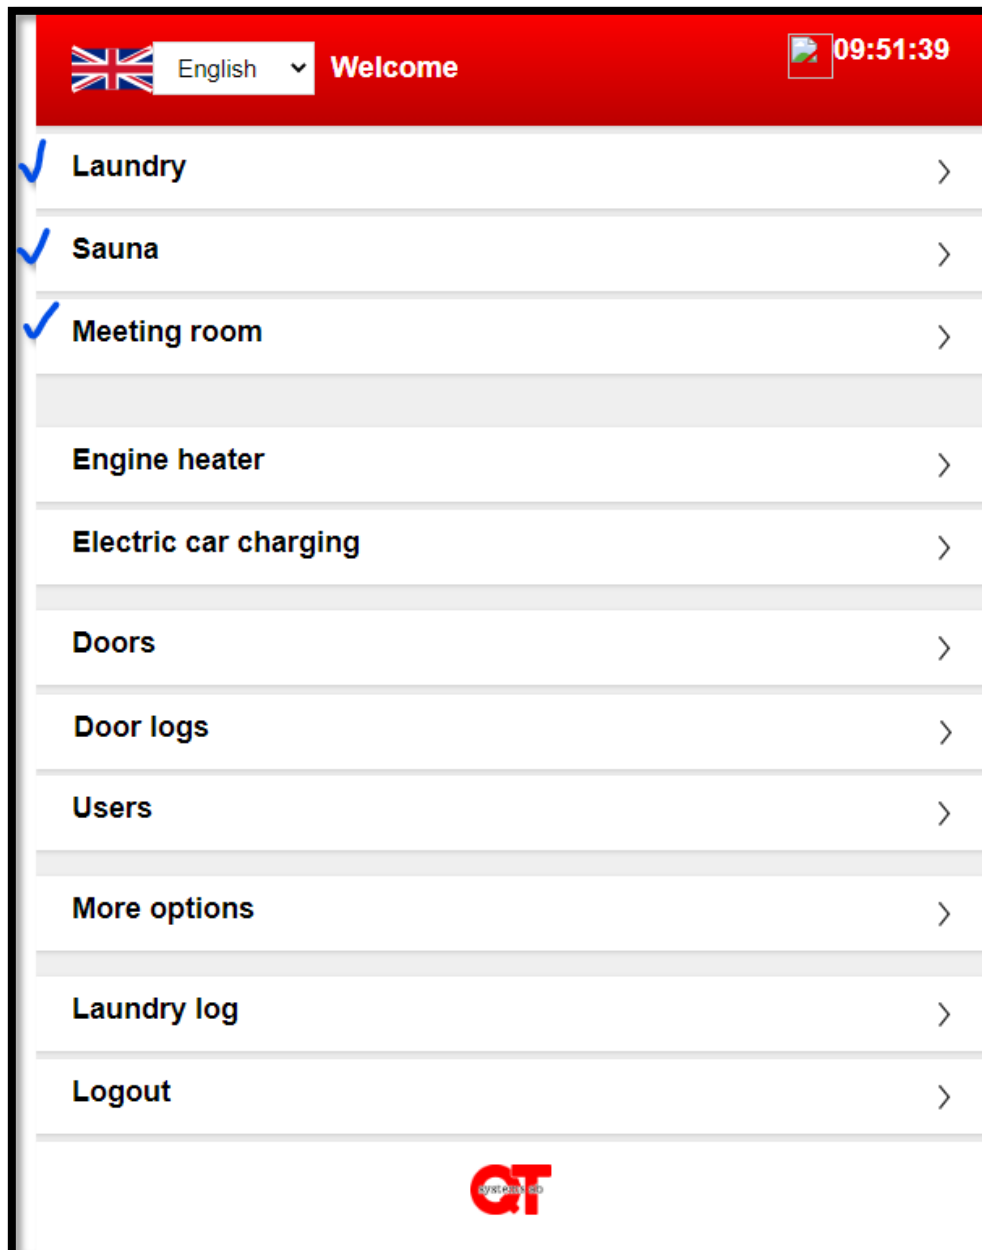

The screenshot shows a mobile application interface for logging in. At the top, the status bar displays the time 14:29, a settings icon, a battery icon, and signal strength indicators. Below the status bar is a dark grey header with the text "Logga in" in white. The main content area is white and contains three input fields: "Anläggnings-ID", "Användarnamn", and "Lösenord". Below these fields is a dark grey button with the text "LOGGA IN" in white. At the bottom of the form, there is a line of text: "Inloggningsuppgifter erhålles från hyresvärd eller fastighets-/anläggningsägare."

Choose a new password "More Options" → "Change password"

This is the main view. Note that this vary depends on level of accessmode.

In this chapter we explain about different type of bookings.
